

### Closerie des Alisiers – Stephane Brocard

Son of a Chablis winemaker, Stephane Brocard settled in 2007 in Marsannay (south Dijon) starting the Closerie des Alisiers. In addition to the work on his own vines in Pommard in the old wine village of Daix, he has been working for years with the same vinegrowers and plots for the wines he sources according to one personal philosophy: purity, fruit and freshness. Genuine wines produced respecting terroirs and the environment. His objective is to highlight terroirs through the varietal.
