

CŒUR CLÉMENTINE

COTES DE PROVENCE

Established in 2005, Coeur Clémentine is the result of the decades-long friendship of its three founders and their shared passion for the wines of Provence and the waves of the French coast. Clémentine's foundation is in the historical Cooperative Saint-Sidoine in Puget-Ville, (between Marseille and Saint Tropez) where Coeur Clémentine grows and produces its wine under the watchful eye of winemaker Jean Christophe Audéoud.
