

TERRES PRÉCIEUSES

This family estate has been located at the heart of the Minervois terroir, since 1713. The grand-father of the current owner, Jean-Paul Verdier, went to Vietnam where he set up a pepper farm. This enabled him to buy new parcels and to extend his family farm when he was back in France. His nickname, "the pepper merchant" still remains in all the memories.

2010 Domaine de Cazelles-Verdier

Blend

Carignan, Grenache and Syrah

AOC

Minervois

This cuvée is a tribute to my grandfather Jean-Paul Verdier who ran a successful pepper farm in Vietnam. This enabled him to buy new parcels extending the family property when he returned to France. His nickname « the pepper marchand » is still remembered.

A deep colour revealing a great concentration. A beautiful aromatic nose with small black fruit notes and sweet garrigue spicy notes. Complex, the mouth offers blackcurrant notes.
