

Viñedos de Páganos

Owned by the Eguren family, Viñedos de Páganos was founded with the goal of highlighting the elegant, mineral expression of El Puntido and La Nieta, two phenomenal single vineyards located in the ancient medieval town of Páganos. Producing wines since 2001, the Eguren family has achieved higher quality vintage after vintage and lowered yields over the years.

El Puntido is an old word meaning *staircase landing*, similar to the shape of the land between Sierra de Cantabria and the Ebro River depression.
