

Viñedos de Páganos

Owned by the Eguren family, Viñedos de Páganos was founded with the goal of highlighting the elegant, mineral expression of El Puntido and La Nieta, two phenomenal single vineyards located in the ancient medieval town of Páganos. Producing wines since 2001, the Eguren family has achieved higher quality vintage after vintage and lowered yields over the years.

The Eguren family strove to produce a world class wine from the miniscule Finca La Nieta, a vineyard with shallower, poorer soils, and a superior microclimate than the neighboring El Puntido vineyard. They wanted to use this vineyard to display the subtlety and elegance that Tempranillo can represent, and they have achieved this with **La Nieta**, which is Viñedos de Páganos' flagship wine.
