

TALMARD

Mallory & Benjamin

PROPRIÉTAIRES RÉCOLTANTS
 À UCHIZY

The Talmard's have been winemakers in the Macon since the 17th century. The estate has 31 hectares of vineyard in the villages of Uchizy, Chardonnay, Montbellet, Fargues-les-Macon and Tournus. The vineyards are harvested by machine at the peak of quality and yields are limited to 68 hectolitres per hectare. Fermentation and elevage are done in temperature controlled stainless steel tanks to preserve the purity and brightness of the fruit. All-natural yeast is used during fermentation and lasts 2-4 months. The wines are all kept sur lie with batonage every two weeks for 6 months for richness and texture.

2017 Macon-Chardonnay

Fresh and aromatic with hints of limestone minerality from the soil. Pure bright apple, pear, and quince fruit flavors. A lovely example of a fresh, clean, unoaked Chardonnay.
