

Montsablé

The wines of Montsablé are inspired by the desire to craft elegant Burgundian varietals from Southern France. Working with growers in cooler sites of lower vigor, fruit that delivers pure flavors and great balance is sought out. In the winery, the fruit is handled carefully to build texture and mouthfeel, with oak only ever used to add just the most subtle of seasoning. The result is a Chardonnay with great palate weight, bright fruit and texture while our Pinot positively sings with lifted cherry and wild strawberry fruit.
