

Louis Glunz Wines New Accounts for Payment

Sales rep earns \$75 (\$50 for accounts assigned by management) for each new account once the account has placed 3 orders within a 6-month period, has 3 new placements, and rep has made first collection. Sales rep must submit new accounts for payment within the 6-month period using this **new accounts for payment form**, no exceptions. It is the rep's responsibility to complete and submit the form to management in order to be paid. Chain stores do not qualify.
