

Calliope is the family's original vineyard and winery, established by Reginald Langdon Buller in 1921. In 2013 the business was sold to the Judd Family and a new era was ushered in at Buller Wines. The Judd Family is a well-known local family with extensive roots in the north east. They continue the tradition of Buller Wines being a strong local family enterprise. Today, Buller Wines offers a comprehensive range of white, red and fortified wines.
