

Spring Mountain Vineyard is an 850 acre estate of forest and vineyard on the eastern slopes of Spring Mountain which rises behind the town of Saint Helena. The estate is broken into 135 small and separate hillside vineyard blocks; each one has a unique soil, exposure to the sun and microclimate, thus producing a unique wine. The goal of the vineyard is to produce exceptional wines that show the power and depth of the mountain fruit, yet through gentle winemaking, possess elegance as well as strength.
